

## Todd Breton Bio

Todd Breton was born and raised in western Massachusetts. In his adult years, he got to Texas as quick as he could. He is a graduate of the University of Houston with a degree in Finance. He also earned his Global Management MBA from the University of Phoenix. Todd is married to Cindy Breton, celebrating 33 years this last December. He has two grown children, Jenny (30) and Michael Breton (25).

Todd has spent a majority of his career in insurance claims, beginning in 1991. He has worked for three insurance companies; Liberty Mutual, GEICO and his current employer, Germania Insurance in Brenham Texas. Before he joined Germania, he owned his own insurance claims consulting business, Inspire Consulting Firm. He has held several leadership roles throughout his career. His current position is Project Manager, with a focus on continuous improvement.

In his spare, he loves traveling with his wife Cindy. He is a travel blogger and has his own blog website, [Bretontravels.com](http://Bretontravels.com). Todd is an avid runner. He runs two marathons a year as well as several half marathons. His next marathons are the virtual Boston Marathon in October 2021 and the Houston Marathon in January 2021.

Lastly, Todd loves being involved in Rotary and given back in the community. He has been a member of the Sugar Land Rotary Club for five years. He is the immediate Past President and is currently a District 5890 Assistant Governor. When asking Todd about his WHY he is in rotary, he wanted to be part of humanitarian projects, seeing the smiles of peoples face that are the beneficiaries of his time and gifts, and knowing that you are making an impact in his community. When Todd was President of his club, he created his own rotary theme, "Be Bold, Do Something Different." This is his vision of rotary.
