

Tim Ellis

Tim has over 28 years of management experience in information technology relating to the automobile, homeowners and commercial insurance industries. His experience includes designing, and implementing innovative claims management solutions for the property insurance and restoration repair markets. Tim was instrumental in the recent acquisition and implementation of Location Aware, an on-demand field service platform, to Verisk Analytics.

Recently Tim served as a Vice President of Business Development at Verisk Analytics, as part of the Location Aware acquisition, and has held several Executive Management positions at publicly traded companies.
