

Linda King

VP North American Property Claims

Sompo International

Linda King is Vice President of North America Property Claims at Sompo International. Linda currently manages a team of examiners managing the shared and layered commercial property claims. Prior to this role, Linda handled property losses for both the Real Estate and Hospitality team as well as the Asian Risk team. Linda's claims career began in 2006 in Auto/Property Damage and Bodily Injury claims. Linda moved to property in 2008 and has handled residential, commercial property, catastrophe, NFIP flood, manufacturing, and inland marine claims. Linda has experience in managing complex losses over \$20 million, staff training, and vendor management.

Linda earned a Bachelor's of Anthropology from The University of Memphis, received Hampton Road's Top 40 Under 40 in 2015, and joined the Federation of Defense & Corporate Counsel in 2021.
