

DAVID R. PRICE, Ph.D.

FORENSIC PSYCHOLOGIST

President & CEO of the Forensic Network

The Forensic Network grew out of Dr. Price's work as a forensic psychologist and neuropsychologist. He has been retained and testified nationally in civil and criminal cases since 1984. In 1991, Dr. Price narrowed the focus of his practice to forensic psychology and neuropsychology. Dr. Price has made over 300 professional presentations on these topics.

Presently, The Forensic Network offers the following services to the corporate, governmental, insurance and legal community: Consulting; Educational Programs; Independent Psychological and Neuropsychological Examinations; Claims Analysis and Review of Psychological, Psychiatric and Neuropsychological Injury Claims.
