

Scott Thompson – Manager, Claims Recovery
American National Insurance Companies

Scott joined American National in February 2009 as an auto adjuster after five years with another carrier. He worked property damage and bodily injury claims including Medicare specialty files during his tenure. In 2016 he promoted to the Quality Assurance Team, where he reviewed and researched files for compliance, SOX controls and regulation adherence. In February of 2019 Scott was promoted to lead a subrogation recovery team and has led both the property and auto teams during his tenure.

Scott earned his Bachelor of Science degree in Education from Missouri State University, in addition, he has obtained the AIC, ARC, and SCLA industry designations.
