

Ryan Matchack  
Grange Insurance  
Senior Talent & Training Specialist

Ryan started his career at Grange Insurance in October 2009 in the Claims Loss Reporting department. He elevated to an Inside Property Adjuster in February of 2011 and joined an expandable Catastrophe team. In April 2013, he was promoted to a Field position where he led in catastrophe response and worked on many initiatives and projects. In January 2016, Ryan left to become a Senior Large Loss & Catastrophe adjuster at Ameriprise Insurance. At Ameriprise, Ryan led the company in claims handled, headed several transitional projects, and was the lead trainer for the property unit. He was promoted to Field Property Supervisor in June 2017. In this position, he led a team of 10 adjusters throughout the country, and oversaw hiring, training, and developing all new hires. In April 2018, Ryan went back to Grange Insurance as a property specialist concentrating on vendor relations, analytical scheme, and line of business strategy. In January 2021, Ryan made the transition to HR Training, specializing in claims training including technology and continuous improvement based initiatives. In April 2022, he was promoted to HR Training, specializing in Talent Development where he focuses on career development within the enterprise.
