

Michael Pritchett, AIC

Over 30 years multi-line claim experience specializing in first and third party residential and commercial property losses including large loss, catastrophe and flood claims in multiple states including but not limited to Texas, Louisiana and Florida. Attended and / or participated in hundreds of mediations for claims involving damages due to hurricane, tornado, wind, fire, water, theft, liability / personal injury and construction defect. Have the distinction of successfully adjusting claims as a staff independent (i.e. Crawford & Company), pure independent adjuster (Pilot Catastrophe) and staff adjuster (Travelers and Cypress Property & Casualty Insurance Company) including over 7 years of claims management experience. Graduate of York College of Pennsylvania where I played soccer collegiately and hold an Associate in Claims (AIC) designation from the Insurance Institute of America. I currently reside in San Antonio, TX with my family.
