

Bio for
Lindsay Wood
Liberty Mutual Insurance

Lindsay Wood is the Sr. Director of Quality Improvement at Liberty Mutual Insurance. Lindsay has spent nearly 18 years in insurance with 17 of them in claims. She has extensive data and analytics experience including Property and Auto catastrophe modeling and forecasting.

Lindsay graduated from Bentley (College) University with a B.S. in Finance and Information Systems in 2005 and currently sits on the PLRB National Conference Planning Committee.

Lindsay has a passion for mentoring and building up others as well as continuing to build her own leadership capabilities and style. Lindsay is active in Liberty Mutual's WE (Women@Liberty) Committee and is currently a co-lead of the Community Committee in the Northern New England Region. Outside of work Lindsay has been a Girl Scout troop leader for over 5 years influencing and building up young girls.
